About Us

Maryah Implement Furnishing LLC is well-known for providing the finest quality of Furniture, curtains & interior design, with over 25 years of experience.

We provide services in the United Arab Emirates as well as across the Gulf regions. In the UAE, we are a leader in furniture and furnishing solutions. The company has vast expertise with worldwide comprehensive furnishing contracts and produces high-quality furniture at an affordable price thanks to its diverse collection of high-end furniture designs and its own manufacturing units.

To meet the ever-growing demand from its wide base of loyal clients, the company has revamped its scope and quality of services by investing in the latest technologies to improve our production system. Since the new implementations, our quality was further boosted and our production lines have almost doubled their daily outputs.
